

## ANEXO I

Destinos de procedencia disponibles para esta convocatoria de ayudas destinadas a **cursar estudios de grado, máster universitario o doctorado** durante el segundo semestre del curso académico 2018/2019 y durante el curso académico 2019/2020, en instituciones en el marco del programa Erasmus+ “Movilidad de estudiantes y personal entre países del programa y asociados”.

### MOVILIDADES DE ESTUDIOS DE GRADO Y POSGRADO.

**Número de movilidades y destinos de procedencia disponibles para esta convocatoria de ayudas destinadas a cursar estudios de grado, máster universitario o doctorado durante el segundo semestre del curso académico 2018-2019 y el curso académico 2019-2020.**

**País: Argentina**

**Número de movilidades:** 1, durante un máximo de 5 meses.

Universidad participante

**Universidad Nacional de José C. Paz**

Titulaciones que pueden cursar en la Universidad de Oviedo:

#### **Máster:**

- Máster Universitario en Administración y Dirección de Empresas
- Máster Universitario en Abogacía
- Máster Universitario en Protección Jurídica y grupos vulnerables
- Máster Universitario en Enfermería de Urgencias y Cuidados Críticos
- Máster Universitario en Biotecnología Aplicada a la Conservación y Gestión Sostenible de Recursos Vegetales
- Máster Universitario en Biotecnología del Medio Ambiente y la Salud
- Máster Universitario en Prevención de Riesgos Laborales

#### **Doctorado:**

- PhD Programme in Economics and Enterprise
- PhD Program in Law
- PhD Program in Health Sciences
- PhD in Molecular and Cellular Biology

**País: Bangladesh**

**Número de movilidades:** 2, durante un máximo de 5 meses cada una.

Universidad participante

**Universidad Khwaja Yunus Ali**

Titulaciones que pueden cursar en la Universidad de Oviedo:

#### **Máster:**

- Erasmus Mundus Master's Degree in Emergency and Critical Care Nursing
- Máster Universitario en Administración y Dirección de Empresas

- Master's Degree in Electrical Energy Conversion and Power Systems
- Master's Degree in Geotechnology and SIG Project Development
- Master's Degree in Mining Engineering
- Master's Degree in Industrial Engineering
- Master's Degree in Nautical and Management of Maritime Transportation
- Master's Degree in Chemical Engineering
- Joint Master Degree in Mechatronic Engineering
- Erasmus Mundus Master's Degree in Sustainable Transportation & Electrical Power Systems
- Master's Degree in Biotechnology Applied to Conservation & Sustainable Management of Plant Resources
- Master in Biotechnology of Environment and Health
- Erasmus Mundus Master's Degree in Public Health in Disasters

#### **Doctorado:**

- PhD Program in Health Sciences
- PhD Programme in Biomedicine and Molecular Oncology
- PhD Programme in Economics and Enterprise
- PhD Programme in Economics and Enterprise
- PhD Programme in Electrical and Electronic Engineering
- PhD Programme in Computer Science
- PhD Programme in Production, Mining-Environmental and Project Engineering
- PhD Programme in Chemical, Environmental and Bio-Food Engineering
- PhD Programme in Molecular and Cellular Biology
- PhD Program in Health Sciences

#### **País: Bielorrusia**

Número de movilidades: 2, durante un máximo de 5 meses cada una.

#### Universidad participante

#### **Belarusian State University of Informatics and Radioelectronics**

Titulaciones que pueden cursar en la Universidad de Oviedo:

#### **Máster:**

- Master's Degree in Business Administration and Management
- Master's Degree in Electrical Energy Conversion and Power Systems
- Master's Degree in Geotechnology and SIG Project Development
- Master's Degree in Mining Engineering
- Master's Degree in Industrial Engineering
- Master's Degree in Nautical and Management of Maritime Transportation
- Master's Degree in Chemical Engineering
- Joint Master's Degree in Mechatronic Engineering
- Erasmus Mundus Master's Degree in Sustainable Transportation & Electrical Power Systems

#### **Doctorado:**

- PhD Programme in Economics and Enterprise
- PhD Programme in Electrical and Electronic Engineering

- PhD Programme in Computer Science
- PhD Programme in Production, Mining-Environmental and Project Engineering
- PhD Programme in Chemical, Environmental and Bio-Food Engineering

### **País: Bután**

Número de movilidades: 5, durante un máximo de 5 meses cada una.

#### Universidad participante

#### **Royal Thimphu College**

Titulaciones que pueden cursar en la Universidad de Oviedo:

##### **Grado:**

- Spanish Language and its Literatures
- English Studies
- Business administration and management

##### **Máster:**

- Master's Degree in Business Administration and Management
- Master's Degree in Spanish Language and Linguistics
- Master's Degree in Marine Conservation

##### **Doctorado:**

- PhD Programme in Economics and Enterprise
- PhD in Humanistic Research

### **País: Camerún**

Número de movilidades: 2, durante un máximo de 5 meses cada una.

#### Universidad participante

#### **University of Yaoundé**

Titulaciones que pueden cursar en la Universidad de Oviedo:

##### **Doctorado:**

- PhD in Humanistic Research

### **País: Cuba**

Número de movilidades: 1, durante un máximo de 5 meses.

#### Universidades participantes

#### **Universidad de La Habana**

Titulaciones que pueden cursar en la Universidad de Oviedo:

**Doctorado:**

- PhD in Molecular and Cellular Biology
- PhD Programme in Chemical, Biochemical and Structural Analysis and Computational Modeling

**Universidad Tecnológica de la Habana “José Antonio Echeverría”**

Titulaciones que pueden cursar en la Universidad de Oviedo:

**Máster:**

- Master's Degree in Telecommunications Engineering

**Doctorado:**

- PhD Programme in Electrical and Electronic Engineering
- PhD Programme in Information Technologies and Communications in Mobile Networks (Interuniversity)

**Universidad Central “Marta Abreu” de Las Villas (UCLV)**

Titulaciones que pueden cursar en la Universidad de Oviedo:

**Máster:**

- Master's Degree in Mechatronic Engineering

**Universidad de Cienfuegos “Carlos Rafael Rodríguez” (UCF)**

Titulaciones que pueden cursar en la Universidad de Oviedo:

**Máster:**

- Master's Degree in Electrical Energy Conversion and Power Systems
- Master's Degree in Geotechnology and SIG Project Development
- Master's Degree in Mining Engineering
- Master's Degree in Industrial Engineering
- Master's Degree in Nautical and Management of Maritime Transportation
- Master's Degree in Chemical Engineering
- Joint Master Degree in Mechatronic Engineering
- Erasmus Mundus Master's Degree in Sustainable Transportation & Electrical Power Systems

**Doctorado:**

- PhD Programme in Electrical and Electronic Engineering
- PhD Programme in Computer Science
- PhD Programme in Production, Mining-Environmental and Project Engineering
- PhD Programme in Chemical, Environmental and Bio-Food Engineering

**País: Egipto**

Número de movilidades: 4, durante un máximo de 5 meses cada una.

## Universidades participantes

### **Arab Academy of Science, Technology and Maritime Transport**

Titulaciones que pueden cursar en la Universidad de Oviedo:

#### **Máster:**

- Master's Degree in Electrical Energy Conversion and Power Systems
- Master's Degree in Geotechnology and SIG Project Development
- Master's Degree in Mining Engineering
- Master's Degree in Industrial Engineering
- Master's Degree in Nautical and Management of Maritime Transportation
- Master's Degree in Chemical Engineering
- Joint Master Degree in Mechatronic Engineering
- Erasmus Mundus Master's Degree in Sustainable Transportation & Electrical Power Systems

#### **Doctorado:**

- PhD Programme in Electrical and Electronic Engineering
- PhD Programme in Computer Science
- PhD Programme in Production, Mining-Environmental and Project Engineering
- PhD Programme in Chemical, Environmental and Bio-Food Engineering

### **Nile University**

Titulaciones que pueden cursar en la Universidad de Oviedo:

#### **Máster:**

- Master's Degree in Electrical Energy Conversion and Power Systems
- Master's Degree in Geotechnology and SIG Project Development
- Master's Degree in Mining Engineering
- Master's Degree in Industrial Engineering
- Master's Degree in Nautical and Management of Maritime Transportation
- Master's Degree in Chemical Engineering
- Joint Master Degree in Mechatronic Engineering
- Erasmus Mundus Master's Degree in Sustainable Transportation & Electrical Power Systems

### **Aswan University**

Titulaciones que pueden cursar en la Universidad de Oviedo:

#### **Máster:**

- Master's Degree in Electrical Energy Conversion and Power Systems
- Master's Degree in Geotechnology and SIG Project Development
- Master's Degree in Mining Engineering
- Master's Degree in Industrial Engineering
- Master's Degree in Nautical and Management of Maritime Transportation
- Master's Degree in Chemical Engineering
- Joint Master Degree in Mechatronic Engineering

- Erasmus Mundus Master's Degree in Sustainable Transportation & Electrical Power Systems

### **Helwan University**

Titulaciones que pueden cursar en la Universidad de Oviedo:

#### **Máster:**

- Master's Degree in Electrical Energy Conversion and Power Systems
- Master's Degree in Geotechnology and SIG Project Development
- Master's Degree in Mining Engineering
- Master's Degree in Industrial Engineering
- Master's Degree in Nautical and Management of Maritime Transportation
- Master's Degree in Chemical Engineering
- Joint Master Degree in Mechatronic Engineering
- Erasmus Mundus Master's Degree in Sustainable Transportation & Electrical Power Systems

### **Port Said University**

Titulaciones que pueden cursar en la Universidad de Oviedo:

#### **Máster:**

- Master's Degree in Electrical Energy Conversion and Power Systems
- Master's Degree in Geotechnology and SIG Project Development
- Master's Degree in Mining Engineering
- Master's Degree in Industrial Engineering
- Master's Degree in Nautical and Management of Maritime Transportation
- Master's Degree in Chemical Engineering
- Joint Master Degree in Mechatronic Engineering
- Erasmus Mundus Master's Degree in Sustainable Transportation & Electrical Power Systems

### **Ain Shams University**

Titulaciones que pueden cursar en la Universidad de Oviedo:

#### **Máster:**

- Master's Degree in Electrical Energy Conversion and Power Systems
- Master's Degree in Geotechnology and SIG Project Development
- Master's Degree in Mining Engineering
- Master's Degree in Industrial Engineering
- Master's Degree in Nautical and Management of Maritime Transportation
- Master's Degree in Chemical Engineering
- Joint Master Degree in Mechatronic Engineering
- Erasmus Mundus Master's Degree in Sustainable Transportation & Electrical Power Systems

#### **Doctorado:**

- PhD Programme in Electrical and Electronic Engineering
- PhD Programme in Computer Science

- PhD Programme in Production, Mining-Environmental and Project Engineering
- PhD Programme in Chemical, Environmental and Bio-Food Engineering

### **Fayoum University**

Titulaciones que pueden cursar en la Universidad de Oviedo:

#### **Máster:**

- Master's Degree in Electrical Energy Conversion and Power Systems
- Master's Degree in Geotechnology and SIG Project Development
- Master's Degree in Mining Engineering
- Master's Degree in Industrial Engineering
- Master's Degree in Nautical and Management of Maritime Transportation
- Master's Degree in Chemical Engineering
- Joint Master Degree in Mechatronic Engineering
- Erasmus Mundus Master's Degree in Sustainable Transportation & Electrical Power Systems

#### **Doctorado:**

- PhD Programme in Electrical and Electronic Engineering
- PhD Programme in Computer Science
- PhD Programme in Production, Mining-Environmental and Project Engineering
- PhD Programme in Chemical, Environmental and Bio-Food Engineering

### **MUST MISR University for Science and Technology**

Titulaciones que pueden cursar en la Universidad de Oviedo:

#### **Máster:**

- Master's Degree in Electrical Energy Conversion and Power Systems
- Master's Degree in Geotechnology and SIG Project Development
- Master's Degree in Mining Engineering
- Master's Degree in Industrial Engineering
- Master's Degree in Nautical and Management of Maritime Transportation
- Master's Degree in Chemical Engineering
- Joint Master Degree in Mechatronic Engineering
- Erasmus Mundus Master's Degree in Sustainable Transportation & Electrical Power Systems

#### **Doctorado:**

- PhD Programme in Electrical and Electronic Engineering
- PhD Programme in Computer Science
- PhD Programme in Production, Mining-Environmental and Project Engineering
- PhD Programme in Chemical, Environmental and Bio-Food Engineering

### **Mansoura University**

Titulaciones que pueden cursar en la Universidad de Oviedo:

#### **Máster:**

- Master's Degree in Electrical Energy Conversion and Power Systems

- Master's Degree in Geotechnology and SIG Project Development
- Master's Degree in Mining Engineering
- Master's Degree in Industrial Engineering
