

ANEXO I

REMANENTE DE BECAS DEL PROYECTO 2018 KA-107 SEGUNDO SEMESTRE DEL CURSO ACADÉMICO 2019-20

MOVILIDADES DE ESTUDIOS DE DOCTORADO

Número de movilidades e instituciones de procedencia disponibles para esta convocatoria de ayudas destinadas a cursar estudios de doctorado durante el segundo semestre del curso académico 2019-20, del programa Erasmus+ KA107 “Movilidad de estudiantes y personal entre países del programa y asociados

País: Bielorrusia

Número de movilidades: 2, durante un máximo de 5 meses cada una hasta el 31 de julio 2020.

Universidades participantes

- **Belarusian State University of Informatics and Radioelectronics**
Titulaciones que pueden cursar en la Universidad de Oviedo:
 - PhD Programme in Economics and Enterprise
 - PhD Programme in Electrical and Electronic Engineering
 - PhD Programme in Computer Science
 - PhD Programme in Production, Mining-Environmental and Project Engineering
 - PhD Programme in Chemical, Environmental and Bio-Food Engineering

País: Egipto

Número de movilidades: 4, durante un máximo de 5 meses cada una cada una hasta el 31 de julio 2020.

Universidades participantes

- **Arab Academy of Science, Technology and Maritime Transport**
Titulaciones que pueden cursar en la Universidad de Oviedo:
 - PhD Programme in Electrical and Electronic Engineering
 - PhD Programme in Computer Science

- PhD Programme in Production, Mining-Environmental and Project Engineering
- PhD Programme in Chemical, Environmental and Bio-Food Engineering

- **Ain Shams University**
 - PhD Programme in Electrical and Electronic Engineering
 - PhD Programme in Computer Science
 - PhD Programme in Production, Mining-Environmental and Project Engineering
 - PhD Programme in Chemical, Environmental and Bio-Food Engineering

- **Fayoum University**
 - PhD Programme in Electrical and Electronic Engineering
 - PhD Programme in Computer Science
 - PhD Programme in Production, Mining-Environmental and Project Engineering
 - PhD Programme in Chemical, Environmental and Bio-Food Engineering

- **MUST MISR University for Science and Technology**
 - PhD Programme in Electrical and Electronic Engineering
 - PhD Programme in Computer Science
 - PhD Programme in Production, Mining-Environmental and Project Engineering
 - PhD Programme in Chemical, Environmental and Bio-Food Engineering

- **Mansoura University**
 - PhD Programme in Electrical and Electronic Engineering
 - PhD Programme in Computer Science
 - PhD Programme in Production, Mining-Environmental and Project Engineering
 - PhD Programme in Chemical, Environmental and Bio-Food Engineering
 - PhD Program in Health Sciences
 - PhD in Molecular and Cellular Biology
 - PhD Programme in Chemical, Biochemical and Structural Analysis and Computational Modeling

País: Federación Rusa

Número de moviidades: 6, durante un máximo de 5 meses cada una cada una hasta el 31 de julio 2020.

Universidades participantes

- **Ivanovo State University**

Titulaciones que pueden cursar en la Universidad de Oviedo:

- PhD Programme in Electrical and Electronic Engineering
- PhD Programme in Computer Science
- PhD Programme in Production, Mining-Environmental and Project Engineering
- PhD Programme in Chemical, Environmental and Bio-Food Engineering

- **Volga State University of Water Transport**

Titulaciones que pueden cursar en la Universidad de Oviedo:

- PhD Programme in Electrical and Electronic Engineering
- PhD Programme in Computer Science
- PhD Programme in Production, Mining-Environmental and Project Engineering
- PhD Programme in Chemical, Environmental and Bio-Food Engineering

- **Kuban State University**

Titulaciones que pueden cursar en la Universidad de Oviedo:

- PhD Programme in Economics and Enterprise

- **Moscow Polytechnic University**

Titulaciones que pueden cursar en la Universidad de Oviedo:

- PhD Programme in Electrical and Electronic Engineering
- PhD Programme in Computer Science
- PhD Programme in Production, Mining-Environmental and Project Engineering
- PhD Programme in Chemical, Environmental and Bio-Food Engineering

- **Kazan Federal University**

Titulaciones que pueden cursar en la Universidad de Oviedo:

- PhD Programme in Electrical and Electronic Engineering
- PhD Programme in Computer Science
- PhD Programme in Production, Mining-Environmental and Project Engineering

- PhD Programme in Chemical, Environmental and Bio-Food Engineering
- PhD in Humanistic Research

- **Saint Petersburg State University**
Titulaciones que pueden cursar en la Universidad de Oviedo:
 - PhD in Molecular and Cellular Biology
 - PhD Programme in Chemical, Biochemical and Structural Analysis and Computational Modeling

- **Moscow City University**
Titulaciones que pueden cursar en la Universidad de Oviedo:
 - PhD in Humanistic Research

- **The Russian Presidential Academy of National Economy and Public Administration (RANEPA)**
Titulaciones que pueden cursar en la Universidad de Oviedo:
 - PhD Programme in Economics and Enterprise
 - PhD Program in Law

País: Filipinas

Número de movilidades: 3, durante un máximo de 5 meses cada una hasta el 31 de julio 2020.

Universidades participantes

Universidades del Sistema de Filipinas

- **UPD Universidad de Filipinas Diliman**
Titulaciones que pueden cursar en la Universidad de Oviedo:
 - PhD Programme in Economics and Enterprise
 - PhD Programme in Electrical and Electronic Engineering
 - PhD Programme in Computer Science
 - PhD Programme in Production, Mining-Environmental and Project Engineering
 - PhD Programme in Chemical, Environmental and Bio-Food Engineering
 - PhD Program in Health Sciences
 - PhD in Humanistic Research

- **UPM Universidad de Filipinas Manila**

Titulaciones que pueden cursar en la Universidad de Oviedo:

- PhD Programme in Economics and Enterprise
 - PhD Programme in Electrical and Electronic Engineering
 - PhD Programme in Computer Science
 - PhD Programme in Production, Mining-Environmental and Project Engineering
 - PhD Programme in Chemical, Environmental and Bio-Food Engineering
 - PhD Program in Health Sciences
 - PhD in Humanistic Research
- **Benguet State University**
Titulaciones que pueden cursar en la Universidad de Oviedo:
 - Programa de Doctorado en Ingeniería de los Recursos Naturales

País: Israel

Número de movilidades: 2, durante un máximo de 5 meses cada una hasta el 31 de julio 2020.

Universidades participantes

- **The Hebrew University of Jerusalem**
Titulaciones que pueden cursar en la Universidad de Oviedo:
 - PhD in Humanistic Research
- **The Academic College at Wingate**
Titulaciones que pueden cursar en la Universidad de Oviedo:
 - PhD Programme in Education and Psychology

País: Jordania

Número de movilidades: 1, durante un máximo de 5 meses cada una hasta el 31 de julio 2020.

Universidades participantes

- **Jordan University of Science and Technology (JUST)**
Titulaciones que pueden cursar en la Universidad de Oviedo:

- PhD Programme in Economics and Enterprise
- PhD Programme in Electrical and Electronic Engineering
- PhD Programme in Computer Science
- PhD Programme in Production, Mining-Environmental and Project Engineering
- PhD Programme in Chemical, Environmental and Bio-Food Engineering
- PhD in Molecular and Cellular Biology
- PhD Program in Health Sciences
- PhD Programme in Chemical, Biochemical and Structural Analysis and Computational Modeling
- PhD in Humanistic Research (English Studies)

País: México

Número de movilidades: 1, durante un máximo de 5 meses cada una cada una hasta el 31 de julio 2020.

Universidades participantes

- **Universidad Politécnica de Aguascalientes**
Titulaciones que pueden cursar en la Universidad de Oviedo:
 - PhD in Molecular and Cellular Biology
 - PhD Programme in Chemical, Biochemical and Structural Analysis and Computational Modeling
- **Instituto Tecnológico de Pabellón de Arteaga**
Titulaciones que pueden cursar en la Universidad de Oviedo:
 - PhD in Molecular and Cellular Biology
 - PhD Programme in Chemical, Biochemical and Structural Analysis and Computational Modeling
- **Instituto Tecnológico de Monterrey**
Titulaciones que pueden cursar en la Universidad de Oviedo:
 - PhD Programme in Economics and Enterprise
 - PhD in Molecular and Cellular Biology
 - PhD Program in Health Sciences
 - PhD in Humanistic Research

País: Uzbekistán

Número de movilidades: 2, durante un máximo de 5 meses cada una cada una hasta el 31 de julio 2020.

Universidades participantes

- **Tashkent Chemical Technological Institute**
Titulaciones que pueden cursar en la Universidad de Oviedo:
 - PhD in Molecular and Cellular Biology
 - PhD Programme in Chemical, Biochemical and Structural Analysis and Computational Modeling

- **Samarkand Branch of Tashkent University of Information Technology**
Titulaciones que pueden cursar en la Universidad de Oviedo:
 - PhD Programme in Electrical and Electronic Engineering
 - PhD Programme in Computer Science
 - PhD Programme in Production, Mining-Environmental and Project Engineering
 - PhD Programme in Chemical, Environmental and Bio-Food Engineering
 - PhD Programme in Information Technologies and Communications in Mobile Networks (Interuniversity)

- **Tashkent State Technical University**
Titulaciones que pueden cursar en la Universidad de Oviedo:
 - PhD Programme in Electrical and Electronic Engineering
 - PhD Programme in Computer Science
 - PhD Programme in Production, Mining-Environmental and Project Engineering
 - PhD Programme in Chemical, Environmental and Bio-Food Engineering

- **Tashkent State Pedagogical University named after Nizami**
Titulaciones que pueden cursar en la Universidad de Oviedo:
 - PhD Programme in Economics and Enterprise
 - PhD in Molecular and Cellular Biology
 - PhD Programme in Chemical, Biochemical and Structural Analysis and Computational Modeling

- **Samarkand State Medical Institute**
Titulaciones que pueden cursar en la Universidad de Oviedo:

- **PhD Program in Health Sciences**
