Dear Ms. Covadonga Betegón Biempica,

It gives me pleasure to inform you that the Government of India under the aegis of the Indian Council for Cultural Relations (ICCR), is offering two scholarships to Spanish nationals wishing to study [with the exception of Medicine, Dental, Paramedical (Nursing, Physiotherapy and Anaesthesia courses) and Fashion courses] at graduate, post graduate or research levels in universities and educational institutions in India during the academic year 2016-2017. The scholarships include enrolment and the course fees, besides a fixed amount of living expenses. The scholarships are granted for the full duration of the course. However please note that for science courses, the expenditure on laboratory chemicals and other related incidental charges will be borne by the scholars themselves. Also please note that while sending in nominations of Engineering courses like B.E., B. Tech please ensure that the candidates have taken Physics, Chemistry & Mathematics (PCM) in their school leaving examination.

A soft copy and two hard copies of the completed (typed and not hand written) and signed application form along with other attachments should reach us at respectively culture@embassyindia.es, tsab@embassyindia.es and the Embassy of India, Avenida Pío XII, 30-32, (28016) Madrid, latest by December 28, 2015. The request must specify the course the candidate wishes to undergo, together with the university / institute of his/her choice in India. In order to get a better idea and timely information including forms for these scholarships, desirous applicants are advised to visit the link 'Scholarships to Spanish students under ICCR's CEP/EEP Scholarship 2016-17' under the 'Information and Culture' Section of the Embassy website www.embassyindia.es and/or visit <http://www.iccr.gov.in/content/general-scholarships-gcss>. For any further queries, interested students should contact the Culture and Academics Section of the Embassy of India in Madrid by fax at 91-345 11 12 or email to culture@embassyindia.es with copy to tsab@embassyindia.es.

I request you to give wide publicity to this offer of scholarships among the students of your University.

With regards,

Yours sincerely,

(Ashwin Bhaskaran)
