

ELIGIBLE PARTICIPANTS

Students at Master level who have obtained a first higher education degree or demonstrate a recognised equivalent level of learning according to national legislation and practices in the degree awarding countries.

Students who have already obtained a EMJMD scholarship or an Erasmus Mundus Master Course/Joint Doctorate scholarship are not eligible to apply for an additional scholarship under the EMJMD action.

EMJMD scholarship holders cannot benefit from another EU funded scheme to follow the same EMJMD course and this for entire period of course.

Students will apply for a scholarship directly to the EMJMD consortium and go through a competitive selection process organised by the consortium HEIs.
