TRANSLATION

Read the text and translate into Spanish the following fragment: From “Kevin wants to hire...” to “...although I’d love to stay at the Sunrise Pavilion with its large pool!” (Up to 4 points)

I’m so pleased you can come surfing in August! Paul, Rose and Kevin are coming too, so there will be five of us. We’ve decided to return to New Sands for a couple of days, because the surf board hire is so cheap there.

I’m starting to think about accommodation. We won’t camp again after last year! I hated staying in a tent in all that rain!

[Kevin wants to hire a caravan. There are some nice ones with 3 bedrooms, showers and cooking facilities. The problem is, none of the caravan parks take short bookings in the summer. The minimum stay is a week. It’s a shame because there are several nice parks near the beach.

There’s a hostel for young people in New Sands. It’s the cheapest option after camping, and there’s a big kitchen and dining room where we can cook. The problem is, accommodation is in dormitories and I don’t really want to sleep with strangers.

There are a few guest houses in New Sands. Some have triple rooms, so we only need to book two rooms. We’ll have to book soon if we choose that option, because many guest houses are already full. The hotels in New Sands are too expensive, although I’d love to stay at the Sunrise Pavilion with its large pool!]

The final option is to rent a cottage. I found one. It has three bedrooms – a double, a single and a twin, so two of us would have to share a bed! There’s a big kitchen diner with a microwave, washing machine and dishwasher. The living room has a TV and DVD player. There’s just one bathroom, but there’s a separate WC. There’s a nice garden too. The problem is, it’s 5 miles from the beach.

Let me know which option you prefer.

Cheers

Natalie

Kevin quiere alquilar una caravana. Hay algunas que están muy bien, tienen 3 dormitorios, duchas y equipamiento para cocinar. El problema es que ninguno de estos parques de caravanas acepta reservas de corta estancia para el verano. La estancia mínima es de una semana. Es una pena porque hay parques de caravanas muy bonitos cerca de la playa.

Hay un albergue para gente joven en New Sands. Es la opción más barata después de la opción del camping y tiene una cocina y un comedor grandes donde podemos cocinar. El problema es que el alojamiento tendría que ser en dormitorios comunes y a mí, la verdad, es que no me gusta dormir con extraños.

También hay unas cuantas casas de huéspedes en New Sands. Algunas tienen habitaciones triples, así que solo nos hacen falta dos habitaciones. Tendremos que reservar pronto si elegimos esa opción, porque muchas casas están ya llenas. Los hoteles en New Sands son demasiado caros, aunque ¡¡me encantaría quedarme en el Sunrise Pavilion, que tiene una piscina enorme!!!

TRANSLATION

Read the text and translate into Spanish the following fragment: From “This season puts many businesses ...” to “..., and so Americans want to go shopping” (Up to 4 points)

Black Friday

The day after Thanksgiving has become America's biggest shopping day. Closed all day on Thursday, shopping centres all across the nation open early on Friday. Some of them open at 12:01 Friday morning, while others open at 4 a.m. Some “sleepyhead” shopping centres, like Target this year, don't open their doors on Friday until 6 a.m. From Friday to the day before Christmas, this is the season when businesses make nearly 25 per cent of what they earn in a year. [This season puts many businesses “in the black”, that is, they make the money they need for the year.

Reporters from local TV stations interview people who sleep in tents in front of the shops a day or two before the doors open on Friday. These people patiently wait in queue to get products that are 50 per cent cheaper or more.

“Oh, we have fun,” said one of the persons queuing. “We sometimes bring games to play, we watch TV and order lots of pizza, and we often meet interesting people. And, most important of all, we save a lot!” The problem, of course, is that only a very small number of products have big reductions in their prices. Apart from a few big discounts, each shop has other things that are reduced from 10 to 50 per cent, saving shoppers from \$10 to \$400 per item, and so Americans want to go shopping.]

Not all Americans enjoy shopping. Reverend William Graham wants to change Black Friday's name. “We want to call it Remember Jesus Friday. People should start the season with the right attitude. Christmas has become a Season of Shopping. We want to make it a Season of Giving. And we don't mean giving material things. We mean giving your back, your mind, and your hands. Help an old lady clean up her house. Teach a kid how to read. Visit sick people in the hospital or in nursing homes. Give food to the Red Cross. Celebrate Christmas by remembering Jesus and forgetting Santa Claus.”

Esta temporada pone a muchos negocios con saldo a favor, es decir, hacen suficiente dinero para todo el año.

Los periodistas de las cadenas de televisión locales entrevistan a personas que duermen en tiendas de campaña delante de las tiendas antes de que abran las puertas el viernes. Estas personas hacen cola pacientemente para conseguir productos que serán un 50 por ciento más baratos.

“Ah, lo pasamos muy bien”, dice una de las personas que hacen cola. “A veces traemos juegos para entretenernos, vemos la tele, pedimos muchas pizzas y conocemos a mucha gente interesante. Y sobre todo ¡ahorramos muchísimo!” El problema, por supuesto, es que solo hay descuentos grandes en muy pocos productos. Aparte de que hay pocos descuentos grandes, cada tienda tiene otras cosas con rebajas de entre un 10 y un 50 por ciento, que hace que los clientes ahorren entre 10 y 400 dólares por producto, así que a los norteamericanos les encanta ir de compras.

1. What kind of advantages does Black Friday have? Explain your answer from the text.

First, shops sell a lot and they get great benefits for the whole year.

For clients, on Black Friday shops open very early and long hours, so they can find items at very reduced prices. It is also an opportunity to have fun and meet new people while waiting for shops to open.

2. What is the main criticism to Black Friday mentioned in the text? Give reasons for your answer.

Some people think that this is a Season of Shopping and goes against the pre-Christmas spirit, so they suggest that other actions should be taken, for example, helping the others, being generous, etc.
