

illuminating Drug Discovery

LightUP Symposium, Oviedo, July 18th, 2024

LightUP

LightUP Lecturers

Prof. Raquel G. Soengas
Universidad de Oviedo (Spain)

Prof. Xavier Franck
Université de Rouen (France)

Prof. Nicola D'Alessandro
Università degli Studi "G. d'Annunzio" Chieti (Italy)

Dr. Venkata Vamsi B Yallapragada
Munster Technological University (Ireland)

Invited Lecturers

Dr. Manuel Plaza
Universidad de Oviedo (Spain)

Prof. Gabriel Tojo
Universidad de Santiago de Compostela (Spain)

Sala de Grados
Facultad de Química, Universidad de Oviedo (Spain)

Programme

10:45 **Opening**

Dean of the Faculty of Chemistry, **Susana Fernández González**

Principal Investigator of BIOMCA, **Humberto Rodríguez Solla**

11:00-11:45 **Raquel G. Soengas**, *Coordinator of LightUP*, University of Oviedo (Spain)

illuminating Antibiotic Development

11:45-12:15 **Coffee break**

12:15-13:00 **Xavier Franck**, Université de Rouen (France)

Synthesis fluorophores based on natural products or drugs

13:00-13:45 **Manuel Plaza** Universidad de Oviedo (Spain)

Photochemical Radical-Based Organic Reactions Enabled by Excitation of Supramolecular Complexes

13:45-16:00 **Lunch**

16:00-16:45 **Venkata Vamsi B Yallapragada**, Munster University (Ireland)

Photonics as an enabling technology for life sciences and process analytics

16:45-17:30 **Nicola D'Alessandro**, Università degli Studi "G. d'Annunzio" Chieti (Italy)

High added value derivatives coming from catalytic and photocatalytic transformation of agroindustrial wastes

17:30-18:15 **Gabriel Tojo**, Universidad de Santiago de Compostela (Spain)

How to Start Tech Companies: Four Practical Case Studies

18:15-18:30 **Closing and Final Remarks**

Venue & access

Access to the conference venue **is free of charge**. All Lectures will be held at the Sala de Grados de la Facultad de Química (Campus del Cristo, Universidad de Oviedo)
